Welcome to Restaurant 1796, the newest addition to The Myrtles!

Centered around a 10-foot wood fired hearth, 1796 aims to bring a contemporary feel in a historical setting. Our restaurant is a combination of creative dishes with a southern sensibility, locally sourced ingredients, and a team focused approach, all put together in a warm and familiar atmosphere.

Our goal is for you to enjoy a unique primitive take on how cooking over wood comes through in every dish. We pride ourselves on our ingredients coming from local purveyors and local talent, featuring St. Francisville native Executive Chef, Daniel Dreher.

So, grab a cocktail, order your favorites or try something new, and we hope you have a wonderful and delicious time with us!

Much love, The Mosses
